Order Your Bulbs Now—SAVE 25% or More

SPECIAL IMPORT OFFER OF DUTCH BULBS AT SUBSTANTIAL SAVINGS TO EARLY BUYERS FOR ORDERS RECEIVED NOT LATER THAN JULY 1

Why you must act at once to gain this alluring reward for promptness. These are the reasons:

First.—Knowing our tremendous selling power, the great bulb growers of Holland have just come to us with stocks all complete, ready and eager to make price concessions for immediate orders far below those that we will obtain next fall.

Second.—By adding your orders to our own large imports we can get for you not only the advantage of bed-rock prices for highest quality, but we can have your orders packed especially for you in Holland, thus also saving you extra packing costs, reducing the freight and import charges to a minimum, and at the same time guarantee to you the pick of the new crop—the *biggest and finest bulbs grown in Holland*. A discount of 5% if cash accompanies order.

THE HERALDS OF SPRING

The embargo on these lovely spring beauties has been temporarily lifted, so that we may at least import them this season, and this may be your last chance to buy imported bulbs of these invaluable early spring flowers. Plant them freely through your lawn, shrubbery, and perennial borders and in the rockery—they will yield rich dividends of pleasure as they increase in beauty and numbers from year to year.
